

MEMORANDUM OF AGREEMENT
BETWEEN
LAKE STEVENS SCHOOL DISTRICT
AND THE
LAKE STEVENS EDUCATION ASSOCIATION

RE: Elementary (K-5) Fall Family Connections Conferences

Elementary Family Connection Conferences (1-5): Three (3) days early release for Family Connection Conferences will be scheduled with the parents/guardians of each child. Principals will support certificated staff in scheduling these conferences. Teachers will offer connection meetings with families of new students as they enroll during the year. Such conferences may be either in-person or virtual and will take place within the workday. Kindergarten teachers will also connect with families during the first three (3) non-student days of school, as part of the WA-KIDS assessment process.

Family Connections Conferences will be held during a two and one-half (2.5) hour early release period on each of the first three students days of the school year.

Additional details and provisions may be added during the course of negotiations and be included in the successor collective bargaining agreement.
